To Whom It May Concern,

It is my pleasure to write a letter of recommendation for Sharon Fuerst for an Educational Technician III position in MSAD #51. I am a Special Ed Tech at GHS and met Sharon a few years ago when she was working as a Substitute Teacher. The days where she and I worked as part of a team, Sharon arrived at school in a timely manner and acted in a professional, courteous, caring manner and still continues to do so.

I have been fortunate to work with Sharon in various Special Education settings. Currently she was requested by a Special Ed teacher to sub for one week for her. Sharon always demonstrates a strong work ethic while being flexible, reliable and fun in the classroom. Having worked in the district as a sub for years, Sharon is familiar with Greely students' daily routines. In addition, her understanding of executive functioning skills lends her to help students be confident, stay on task and hand in work. Sharon easily develops relationships with students. I have personally seen several students seek her out for support if she is subbing in the school.

Without reservation, I highly recommend Sharon for any Special Ed Tech position available. Time and time again, Sharon has proven to be smart, empathetic, dependable and flexible. I am confident that Sharon's talents in the classroom undoubtedly make her a strong candidate for any Special Ed Tech III openings. Feel free to contact me at any time.

Sincerely,

April Kearney
